Eliminate Flats Sequencing System (FSS) Pricing

The Postal Service is proposing to eliminate the FSS-specific price structures for Periodicals Outside-County. FSS preparation will still be required and all FSS marking requirements will remain as is. Outside-County Periodicals flats properly included in a FSS scheme pool, qualify for the price applied prior to the FSS scheme pool. If a FSS scheme pallet is drop shipped to a DFSS facility, the pallet will receive Carrier Route pallet pricing. If a FSS facility pallet is drop shipped to a DFSS facility the pallet will receive DSCF pallet pricing. Qualifying FSS scheme pieces entered at a DFSS facility receive DSCF pound pricing. FSS scheme bundles on an FSS scheme pallet will receive carrier route bundle prices. FSS scheme bundles on an FSS facility pallet will receive 3-digit/SCF bundle pricing. FSS scheme and facility sack/trays or other authorized container will receive 3-digit/SCF sack/tray prices.
