1. Subtract \$0.001 for each flat that complies with the Full-Service Intelligent Mail option (not available for Saturation) requirements.

2. For carrier route flats with a detached address or marketing label, add \$0.035 per piece.

3. For pieces weighing more than 4 ounces, each piece is subject to both a per piece price and a per pound price. Multiply the number of pieces in the mailing by per piece price. Multiply the number of pounds of the mailing by per pound price. Add both totals.
